Plaintiff should write his initials next to these changes.

As discussed at the conference, the City Bar Justice Center ("CBJC") *Pro Se* Legal Assistance Project is available to assist self-represented parties in civil cases. The CBJC may be able to provide a *pro se* party with advice in connection with his or her case. The CBJC is a private organization and is not part of, or run by, the Court (and, among other things, cannot accept filings on behalf of the Court, which must still be made by any self-represented party through the *Pro Se* Intake Unit). Plaintiff may contact the CBJC by mail at the below address.
